INTRODUCTION

This is Rohit Agarwal...

Known as "Hexdan the Superman" to the public...

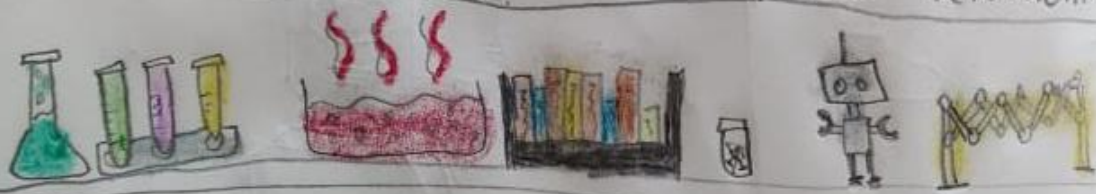

Call me Hexdan the Superman

Which is quite an exaggeration,

It all started a few months ago. Rohit was an inventor working in the police department...

This is very, very stress full... there is too much work. I'd better put an end to it for once and for all!

He got to work, and in a week a suit was ready... ready for the new superhero, Hexdan!

But though the suit was flawless, the owner was exactly the opposite.
