# The man and the dog

One day, A man was walking down a street.  
He saw a dog who was looking hungry.

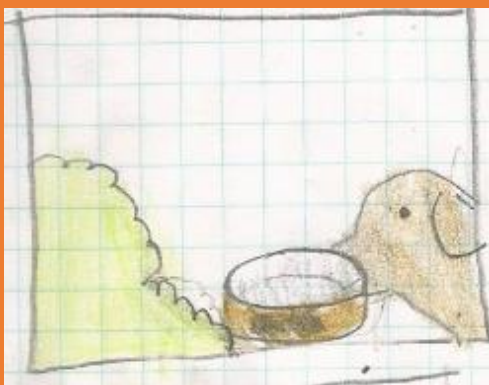

He had some Biscuits in his pocket.  
So, he decided to feed the dog with them.

The moment the dog saw the biscuits,  
it jumped on them and ate them as  
well as it bit the man's hand.

The next day, the man got some rice  
for the dog.

The dog ate the rice peacefully.

The next day, the man decided to give some rice to the dog before he ate his lunch. When he opened the door, he was shocked to see the dog.

The dog ran into the house, ate the man's lunch, and then ran away from the house.

The man's reaction

Finally, the man had to eat the rice which was for the dog.
